10
11 IN RE: ELECTRONIC FILING IN CASES WITH UNREPRESENTED PARTIES
12

13
14 When the Electronic Case Filing (ECF/e-filing) program was established for civil
15 cases in January 2003 (see generally General Order 45), the court's practice was to exclude from the
16 e-filing program cases in which any party was not represented by an attorney. Pursuant to Part III of
17 General Order 45, the court's ECF webpage provided: "All cases involving pro se parties are
18 excluded from the e-filing program and must be filed entirely in paper, unless otherwise ordered by
19 the court."
20

21
22 Effective immediately, cases with unrepresented party litigants in which at least one
23 party is represented by an attorney will no longer be excluded from the e-filing program. All
24 *represented* parties will e-file their submissions to the court on the same basis as in cases not
25 involving pro se litigants and in compliance with all parts of General Order 45. *Represented* parties
26 will be required to serve paper copies by mail on *unrepresented* parties only. As before,
27 unrepresented litigants will continue to file and serve all submissions to the court in paper form
28 unless prior leave is obtained from the assigned judge in a particular case.

IT IS SO ORDERED.
